TRAVEL REQUEST

Dear Ms. Huff,

I am requesting permission to travel to Atlanta, Georgia on March 29, 2015 and I will be returning April 5, 2015. I plan to fly. A copy of my flight itinerary is also included with this request. The nature of my request has a dual purpose as I will be receiving job training as well as visiting friends in the area. I recently set up an account with Smart Start and picked up an In Home unit so that I can fulfill my random testing requirements for breathalyzing. I gave your contact info to the people at Smart Start so that you will receive a monthly report of my test. The In Home unit is totally portable and can be used wherever a power source is. I'm sure you're very familiar with it. If given permission to travel, I will adhere to my breathalyzing requirement with the in home unit. I currently report to the A.D.A.M. program for testing instructions and will continue to do so while I'm gone if given permission. My letter is C so that is what I will be listening for when I call in. I plan to stay with a friend Micah Lassiter at 3930 Covey Flush Ct. SW, Smyrna, GA 30082. Thank you for hearing me in this matter and look forward to your reply. I can be reached at (313)347-6077. My email address is kc88@live.com if that is better for you and my address is 30249 Summit Dr. , Farmington Hills, MI 48334

Respectfully,

Keith Collier
